## MEDIA ALERT

### **Macleay River Teachers to meet with Andrew Stoner 22<sup>nd</sup> May**

The President, Secretary and Treasurer of the Macleay River Teachers' Association along with Federation Representatives from local schools will meet with Shadow Education Minister Andrew Stoner at his Kempsey office tomorrow at 11:30am.

Macleay teachers will be taking part in a 24 hour state wide teacher stoppage in protest at the NSW Labor Government's dismantling of the teacher transfer system.

The teacher transfer system ensures that all students in country towns and villages are taught by experienced qualified teachers.

The teacher representatives meeting with Mr Stoner will seek his support for negotiations between the NSW Government and the NSW Teachers Federation to end this dispute. The Government so far, has refused to negotiate in good faith with the Federation.
