**A MUM'S STORY.**

*My son struggled from kindergarten to year 2. He couldn't get the basic concepts of reading and writing and got quite discouraged. He stopped engaging with the class and refused to do anything that was related to reading.*

*I didn't know what to do. But fortunately the school used Gonski funding to create alternative learning classes for children who learn differently. My son received one-to-one support to make sure he was able to learn and to bring his confidence back. It is such a relief to know he is no longer falling behind.*

## A MESSAGE FROM TEACHERS ABOUT THE FEDERAL ELECTION.

### GONSKI FUNDING HAS MADE A REAL DIFFERENCE TO THE EDUCATION OF OUR STUDENTS, OUR MOB!

This needs-based funding has allowed us to improve teaching and learning across our schools.

But the future of this funding is under threat and depends on **YOU** and **THE MOB** to **VOTE** and to support the political parties who will fully fund the GONSKI model.

## HOW WE HAVE USED GONSKI FUNDING SO FAR.

- Engaged more specialist teachers to work with small groups of our kids.
- Provided additional support for our kids with learning difficulties.
- Purchased more resources such as computers for our kids' use.

## HOW WE PLAN TO USE FUTURE GONSKI FUNDING.

- Provide more professional development for teachers to best support the learning needs of our mob.
- Provide extra specialist support in the classroom to continue to lift our fellas' literacy and numeracy achievements.
- Increase support for our fellas with additional learning needs.
- Provide time to connect with the community.

**YOUR VOTE WILL MAKE A DIFFERENCE.  
VOTE TO KEEP GONSKI FUNDING.**
