

2021 TREE LEVY APPLICATION FORM

Print this document, complete, scan and upload it along with your quote and 'before' photos when submitting your online application.

Quote requirements checklist (tick every box)

- The attached quote must be legible and clearly identify the plant nursery or similar organisation.
- The quote must clearly list the specific native plant species and their costings. Generic listings or estimated costings may not be accepted.
- The grant of up to \$600 is provided only for native trees and woody shrubs of sufficient longevity, height (ideally at least 2 metres at maturity) and shade, with sound prospects for successful establishment in the conditions and locations proposed.
- Only the cost of sustainable native plants listed in the quote will be funded.

'Before' photos

- Please upload between 1–4 'before' photos to show the proposed planting site in its current condition. Successful applicants will be invited to submit 'after' photos in years to come, as the trees become established.
- If photos are difficult to obtain, the committee will accept an annotated site plan such as a map of your school with the proposed tree planting locations indicated.
