Branch Representatives and TAFE Teachers Association Councillors should be elected at the annual general meeting of the Branch in term 1.

A TAFE Teachers Association Branch can be created at any workplace that has 10 or more financial members. Each branch must hold at least four meetings a year. For small workplaces with fewer than 10 financial members, no branch can be created. However, members should elect a Federation Representative or a Contact Person who can volunteer to distribute materials and information. A Contact Person need not take on other responsibilities.
