Attention: Federation Representatives

Dear Member,

Re: Corrective Services Campaign

June Council carried a recommendation for Australian Education Union New South Wales Teachers Federation Branch members to petition State Parliament to reverse the Baird government's decision to delete 132.5 of the 152.5 qualified teacher positions in the NSW adult prison system.

Under the decision, half the deleted qualified teachers are to be replaced by clerks and the adult education and vocational training courses they provide will be outsourced to the discredited private provider market.

Attached is the Petition Form which we are asking all members to sign to keep prison education public. Petitions of more than 10,000 signatures will be scheduled for discussion in the House.

Please note the directions below:

1. Each page of signatures must include the words of the request to Parliament.
2. Please ensure that signatures are not written on a blank page or the blank reverse side of a sheet containing the words of the petition.
3. Every signature must be original hand-writing, and signatures must not be pasted on, photocopied or transferred in any other way.
4. The petition must be legible and contain no alterations.
5. Every person signing a petition must also write their name and their full address.

Original completed forms are to be returned to: **NSW Teachers Federation, Locked Bag 3010, Darlinghurst, NSW 1300**

Many thanks for your cooperation in this matter.

Yours sincerely

John Dixon
General Secretary
