Federation calls on Turnbull to match Labor's Gonski announcement

Thursday 28 January 2016

The NSW Teachers Federation welcomes Federal Opposition leader Bill Shorten's announcement that a Labor Government will "deliver the Gonski reforms on-time and in-full", President Maurie Mulheron said today.

Mr Mulheron called on the Turnbull Government to match Labor's policy or better it.

"The Gonski-funded programs have been making a significant difference to the lives of NSW children," he said.

"Fully funding the Gonski model will ensure these programs will continue to improve students' educational outcomes into the future."

Mr Mulheron said the NSW Premier Mike Baird and NSW Department of Education Secretary Michele Bruniges have championed the positive impact of Gonski funds.
