

WELCOME TO ABORIGINAL MEMBERS

Dear Members,

The **Federation Library** is available to all Federation members. In particular, the librarians, together with the Aboriginal Education Co-ordinator, maintain a collection of the latest resources relevant to the interests of the Federation's Aboriginal members.

Please contact the library to:

- Ask for information!
 - Where can I purchase the Aboriginal Australia map?
 - What do the symbols on the Aboriginal flag and the Torres Strait Islander flag mean?
 - Who was the first Aboriginal teacher in NSW?
 - Do you have any resources for teaching about Indigenous art?

The library has answered all of these questions recently.

- Borrow resources. The library has many teaching resources, including DVDs, on Indigenous issues to assist teachers of Aboriginal Studies. The resources can be posted to you.
- Make a recommendation for purchase. We love input from members.

Visit the library to:

- use the library computers and Wi-Fi
- browse new books, DVDs, magazines
- read the daily newspapers
- meet and work with colleagues in one of the library's meeting areas
- relax in the library lounge
- meet friendly library staff
- print and photocopy

Check out the web site:

The library pages listed under the "services" tab on the Federation's web site www.nswtf.org.au have the latest Resource Guides on Aboriginal issues, Anti-racism, Workplace bullying and other equity issues. Discover even more resources to borrow in the library's catalogue <http://library.nswtf.org.au>

We look forward to meeting you and working with you.
