# Summary

---

The AEC has recently completed an election for the Australian Education Union.

## Report requirements

After the completion of an election under the *Fair Work (Registered Organisations) Act 2009* (the Act) the AEC is required to prepare a post-election report. The report must cover the matters set out in section 141 of the *Fair Work (Registered Organisations) Regulations 2009* (the Regulations). This includes:

- (a) a declaration of the results
- (b) any rules of the organisation or branch which because of ambiguity or other reason, were difficult to interpret or apply
- (c) any matters in relation to the roll of voters
- (d) the number of written allegations (if any) of irregularities made to the AEC during the election
- (e) action taken by the AEC in relation to those allegations
- (f) any other irregularities identified by the AEC and action taken by the AEC in relation to those other irregularities.

The AEC is required to identify adverse rules in the report. An adverse rule is one that the returning officer found difficult to interpret or apply to the election. The organisation must respond in writing to the AEC to any adverse rules within 30 days of the date of this post-election report.

## Report findings

The AEC has identified one (1) rule that was difficult to interpret or apply.

Model rules for elections were published on 30 June 2025 by the Fair Work Commission. The AEC recommends all organisations consider whether their rules could be improved or updated by reference to those rules.

## Australian Education Union rules

---

Australian Education Union rules used for the election:

*284V: Incorporates alterations of 13 August 2025 [R2025/117]*

### Rules that were difficult to interpret or apply:

One difficult rule was identified and the AEC requests the rules be updated using the model rules published by the Fair Work Commission (available at <https://www.fwc.gov.au/registered-organisations/running-registered-organisation/rules-unions-and-employer-associations>)

Under section 198 of the Act, the organisation must respond to the AEC on these matters in writing within 30 days. The organisation must otherwise satisfy the requirements outlined in section 198 and regulation 142(1), as extracted in Appendix A below. The AEC must advise the General Manager of the Fair Work Commission of a possible contravention of section 198(1) of the Act within 21 days.

DIFFICULT RULE	WHY IT IS DIFFICULT	MODEL RULE
TAS Branch Rule 32(2)(a)(i) states that the ballot period will close at 5:00pm three weeks after opening.	A three-week ballot period is unnecessarily restrictive. To avoid voter disenfranchisement and allow adequate time for voters to return their voter packs, a 28-day ballot period would be more sufficient.	<b>Model Rule BC11.3</b> The postal ballot shall close at least twenty-eight (28) days after the opening of the ballot.

### Rules that could be improved with a model rule

There were no rules that could be improved with a model rule for this election.

### Roll of voters

The AEC did not identify any issues with the Roll of Voters for this election.

### Written allegations of any irregularities

The AEC did not receive any written allegations of any irregularities for this election.

### Other irregularities

The AEC did not identify any other irregularities for this election.

## *Fair Work (Registered Organisations) Act 2009* ('the Act')

### **197 Postelection report by AEC**

#### *Requirement for AEC to make report*

- (1) After the completion of an election conducted under this Part by the AEC, the AEC must give a written report on the conduct of the election to:
  - (a) the General Manager; and
  - (b) the organisation or branch for whom the election was conducted.

**Note:** The AEC may be able, in the same report, to report on more than one election it has conducted for an organisation. However, regulations made under paragraph 359(2)(c) may impose requirements about the manner and timing of reports.

- (2) The report must include details of the prescribed matters.

#### *Contents of report—register of members*

- (3) If the AEC is of the opinion that the register of members, or the part of the register, made available to the AEC for the purposes of the election contained, at the time of the election:
  - (a) an unusually large proportion of members' addresses that were not current; or
  - (b) in the case of a register kept by an organisation of employees—an unusually large proportion of members' addresses that were workplace addresses;

this fact must be included in the report, together with a reference to any relevant model rules which, in the opinion of the AEC, could assist the organisation or branch to address this matter.

**Note:** Model rules are relevant only to the conduct of elections for office, not for elections for other positions (see section 147).

#### *Contents of report—difficult rules*

- (4) If the report identifies a rule of the organisation or branch that, in the AEC's opinion, was difficult to interpret or apply in relation to the conduct of the election, the report must also refer to any relevant model rules, which in the opinion of the AEC, could assist the organisation or branch to address this matter.

**Note:** For model rules, see section 147.

#### *Subsection (3) relevant only for postal ballots*

- (5) Subsection (3) applies only in relation to elections conducted by postal ballot.

**Note:** An organisation can obtain an exemption from the requirement to hold elections for office by postal ballot (see section 144).

### **198 Organisation to respond to adverse report on rules**

#### *Organisation must respond to "difficult rules" report*

- (1) If an organisation or branch is given a postelection report under section 197 that identifies a rule that was difficult to interpret or apply, the organisation or branch must, within 30 days, give a written response to the AEC on that aspect of the report.

Civil penalty: 100 penalty units.

- (2) The response must specify whether the organisation or branch intends to take any action in relation to the rule, and if so, what action it intends to take.

#### *Organisation must make its response available to members*

- (3) The organisation or branch must also make available to its members the part of the report dealing with the difficult rule or rules (the *relevant extract*) and the organisation's or branch's response to it.
- (4) The relevant extract must be made available to members no later than the day on which the response is to be made available by the organisation or branch to members.

Civil penalty: 100 penalty units.

#### **190 Organisation or branch must not assist one candidate over another**

An organisation or branch commits an offence if it uses, or allows to be used, its property or resources to help a candidate against another candidate in an election under this Part for an office or other position.

Penalty: 100 penalty units.

#### **193 Provisions applicable to elections conducted by AEC**

- (1) If an electoral official is conducting an election, or taking a step in relation to an election, for an office or other position in an organisation, or branch of an organisation, the electoral official:
- (a) subject to paragraph (b), must comply with the rules of the organisation or branch; and
  - (b) may, in spite of anything in the rules of the organisation or branch, take such action, and give such directions, as the electoral official considers necessary:
    - (i) to ensure that no irregularities occur in or in relation to the election; or
    - (ii) to remedy any procedural defects that appear to the electoral official to exist in the rules; or
    - (iii) to ensure the security of ballot papers and envelopes that are for use, or used, in the election.
- (2) A person commits an offence if the person does not comply with a direction under subsection (1).
- Penalty: 30 penalty units.
- (3) Subsection (2) does not apply so far as the person is not capable of complying.
- Note: A defendant bears an evidential burden in relation to the matter in subsection (3) (see subsection 13.3(3) of the *Criminal Code*).
- (4) Subsection (2) does not apply if the person has a reasonable excuse.
- Note: A defendant bears an evidential burden in relation to the matter mentioned in subsection (4), see subsection 13.3(3) of the *Criminal Code*.
- (5) An offence against subsection (2) is an offence of strict liability.
- Note: For *strict liability*, see section 6.1 of the *Criminal Code*.
- (6) An election for an office or other position conducted by an electoral official, or step taken in relation to such an election, is not invalid merely because of a breach of the rules of the organisation or branch because of:
- (a) action taken under subsection (1); or
  - (b) an act done in compliance with a direction under subsection (1).
- (7) If an electoral official conducting, or taking a step in connection with, an election for an office or other position:
- (a) dies or becomes unable to complete the conduct of the election or the taking of the step; or
  - (b) ceases to be qualified to conduct the election or to take the step;
- the Electoral Commissioner must arrange for the completion of the conduct of the election, or the taking of the step, by another electoral official.

## **6 Definitions**

*irregularity*, in relation to an election or ballot, includes:

- (a) a breach of the rules of an organisation or branch of an organisation; and
- (b) an act or omission by means of which:

- (i) the full and free recording of votes by all persons entitled to record votes and by no other persons; or
- (ii) a correct ascertainment or declaration of the results of the voting; is, or is attempted to be, prevented or hindered; and
